

**Amendments to the Specification:**

Please replace the paragraph on page 12 starting with:

“ The invention will now be described by way of example only with reference to the accompanying drawings in which:”

with the following:

The invention will now be described by way of example only with reference to the accompanying drawings in which:

Fig. 1 shows a longitudinal section through a toothbrush head of this invention.

~~Fig. 2 shows plan views of various toothbrush heads based on that of Fig. 1.~~

Fig. 2a shows a plan view of a toothbrush head based on that of Fig. 1.

Fig. 2b shows a plan view of a toothbrush head based on that of Fig. 1.

Fig. 2c shows a plan view of a toothbrush head based on that of Fig. 1.

Fig. 2d shows a plan view of a toothbrush head based on that of Fig. 1.

Fig. 3 shows an enlarged section through the gel mass of Fig. 1.

~~Fig. 4 schematically shows a process for making the toothbrush head of Fig. 1 and Fig. 2.~~

Fig. 4a schematically shows a step in a process for making the toothbrush head of Fig. 1 and Figs. 2a to 2d.

Fig. 4b schematically shows a step in a process for making the toothbrush head of Fig. 1 and Figs. 2a to 2d.

Fig. 4c schematically shows a step in a process for making the toothbrush head of Fig. 1 and Figs. 2a to 2d.

Fig. 4d schematically shows a step in a process for making the toothbrush head of Fig. 1 and Figs. 2a to 2d.

Fig. 4e schematically shows a step in a process for making the toothbrush head of Fig. 1 and Figs. 2a to 2d.

Fig. 4f schematically shows a step in a process for making the toothbrush head of Fig. 1 and Figs. 2a to 2d.
